ERIC HYUNSANG LEE
UX/UI DESIGNER

EXPERIENCE

Maker and Thinker, *New York, NY*
Freelance UX/UI Designer   Dec.2017 - Present

Maker and Thinker is a small team consisting of 1 designer and 3 developers. Our mission is to contribute our skills to help small business or organization to have a strong digital presence. I helped with branding, marketing, and website redesigns.

Participated Projects:
Maker and Thinker Rebranding, Jon's Village Taxi, and Sparks Magazine.

Aumcore, *New York, NY*
Digital Design Intern   Aug.2017 - Jan.2018

Assisted in creative design projects for website, print, and development of brand assets. Involved in design process from identifying user pain points, ideation, wireframe, client meeting, and provided different user interface iterations and visual design solution.

Participated Projects:
Meridian Leasing, McIntosh Laboratory, Jozev Products, and International Wedding Planner.

Quoizel, *Goose Creek, SC*
Part-Time Product Designer   Jun.2014 - Jan.2016

Participated in monthly meetings at company headquarters and worked closely with an Executive Vice President for different side projects. Designed numerous lighting fixtures for 2017 season's new product lines that are currently distributed and sold at Lowe's.

Collections at Lowe's:
Gallery, Cityscape, Glider, and Holland Collections.

EDUCATION

Savannah College of Art and Design, *Savannah, GA*
Bachelor of Fine Arts in Industrial Design   Jun.2016
