EXPERIENCE

Quoizel, Inc
Part-Time Designer   Sep.2015 - Jan.2016
- Designed numerous lighting fixtures and confirmed the price quote, packaging, and design modifications to work with overseas manufacturers. (Manufactured products are in market since Mar.2017)
- Participated in monthly meeting at company headquarters with executives and short-term projects: forced innovation.

Senior Design Intern   Jun.2015 - Aug.2016
- Guided new interns to familiarize with Quoizel's product development process, manufacturing, and market trends of residential lighting.
- Conducted Quoizel's internship interviews for SCAD candidates by evaluating their portfolios and recommending some of candidates to the director.

Product Design Intern   Jun.2014 - Jun.2015
- Developed various lighting fixtures based on company's traditional designs and market trends in the field.
- Enhanced in identifying brand language, researching market trends, and visualizing data analysis.

Isonarch
Architectural Intern   Jun.2012 - Aug.2012
- Assisted in building 1:100 scale foam-core models for short-term and long-term residential building projects.
- Visited the construction site to learn and observe how 2D sketches and 3D models look as full scale structures.
