Work Experience

Jan. 2016 – Sep. 2015
Part-Time Designer
Quoizel, Inc
Goose Creek, SC

- Designed numerous lighting fixtures and confirmed the price quote, packaging, and design modifications to work with overseas manufacturers. (Manufactured products are in market since 2017 Spring season.)
- Participated in monthly meeting at company headquarters with executives and short-term projects: forced innovation.

Aug. 2015 – Jun. 2015
Senior Design Intern
Quoizel, Inc
Goose Creek, SC

- Guided new interns to familiarize with Quoizel's product development process, manufacturing, and market trends of residential lighting.
- Conducted Quoizel's internship interviews for SCAD candidates by evaluating their portfolios and recommending some of candidates to the director.

Jun. 2015 – Jun. 2014
Product Design Intern
Quoizel, Inc
Goose Creek, SC

- Developed various lighting fixtures based on company's traditional designs and market trends in the field.
- Enhanced in identifying brand language, researching market trends, and visualizing data analysis.

Aug. 2012 – Jun. 2012
Architectural Intern
Ison Architects
Seoul, South Korea

- Assisted in building 1:100 scale foam-core models for short-term and long-term residential building projects.
- Visited the construction site to learn and observe how 2D sketches and 3D models look as full scale structures.
